

N in 1 Multifunctional Beauty Device

316 Stainless Steel EMS Beauty Head.

Features: 5 levels to tighten the skin, with Red & Blue LED therapy.
Function2: EMS enhances muscle tone and skin firmness.

Silicone brush head & Fiber brush head

Features: 2 different choices can meet different requirements.
Function 3: Rotating with brush head cleans the deep rubbish in the pore thoroughly.

Silicone brush head for eye area

Features: It is time to clean the eye area by this small brush head.
Function4: Don't miss the eye area, it contributes a good job.

316 Stainless Steel Face Roller

Feature: Rotate left, rotate right, penetrates the skin nutrition in 360 degree with 5 levels.
Function1: Help to skin tightening, face gym exercise to motivate the collagen.

316 Stainless Steel Cooling + Heating Head

Features: Heating 42°C, Cooling 18°C
Function5: Heating opening the pores, cooling shrinking the pores.

Specifications

Product material: ABS+silicone+304 stainless steel
Mode adjustment: 7 modes
Battery capacity: 3.7V 1800mah
Battery life: 1-1.5H
Charging time: 3H
Power voltage: DC5V-1.5A
Mode 1: 360-degree rotating roller lifts facial collagen, tightens skin and jawline
Mode 2: 360-degree rotating silicone cleansing brush cleans face without dead angles
Mode 3: 360-degree rotating small head cleansing brush cleans nose and eye residues
Mode 4: EMS+Red Light+Ion Infusing, point-to-point lifting and tightening of skin, stimulate collagen regeneration
Mode 5: EMS+Blue Light+Ion Cleansing, thoroughly clean facial residues
Mode 6: Heating compress + Red light quickly opens pores to allow nutrients to be deeply introduced into the skin
Mode 7: Cooling compress + Blue light quickly shrinks pores to make skin more stable

LED Photon Therapy Series

GM08

1: 480 lamp beads multifunctional phototherapy mask

Specifications

Product material: Silicone + ABS
Mode adjustment: 6 types
Battery capacity: 3.7V 2100mah
Battery life: 1-1.5H
Charging time: 5H
Power voltage: 6W/DC5V-1.5A
Mode 1: Calming and removing acne (blue light 450nm)
Mode 2: Suppressing black and brightening (yellow light 590nm)
Mode 3: Revitalizing base (red light 660nm)
Mode 4: Tightening and lightening lines (red light 660nm + near infrared light 850nm)
Mode 5: Promoting metabolism (purple light 450nm)
Mode 6: Revitalizing and awakening skin (orange light 590nm)

120pcs LEDs, 480 LED chips

V-F239

9D Photon Therapy LED Mask

Specifications

Product material: silicone + leather + ABS
Mode adjustment: 4 types
Battery capacity: 3.7V 2000mah
Battery life: 1-1.5H
Charging time: 5H
Power voltage: 6W/DC5V-1A
Mode 1: Calming and removing acne (green light 525nm)
Mode 2: Suppressing black and brightening (yellow light 590nm)
Mode 3: Revitalizing base (red light 660nm)
Mode 4: Tightening and lightening lines (red light 660nm + near infrared light 850nm)

Nano Oxygen, Skin Rejuvenation

Specifications

Net weight: 240g
 Pressure: 140Kpa
 Rated power: 8W
 Input voltage: 3.7V
 Battery capacity: 800mAh

Red light: 660nm
 Blue light: 430nm
 EMS frequency: 55Khz
 Temperature: 42°

316 Stainless Steel
EMS Beauty Head

Red & Blue LED
Therapy

Features

1. 140kpa high osmotic pressure, high osmotic force
2. Ultra-fine essence atomization, compared with the 0.3-0.35mm caliber of similar products on the market, delicate cutting, ultra-fine caliber
3. Food-grade materials are used, safe and not easy to breed bacteria
4. Professional silent processing, maximum endurance.
5. 316 stainless steel guide head material is used, which can be used for sensitive skin.
6. Using variable frequency EMS mixed sine wave
7. NTC + smart chip dual temperature control 42° precise temperature control
8. 660nm red light 430nm blue light

V-S237

Nano Oxygen Air Brush

Specifications

Product material: aluminum alloy + ABS
 Gear adjustment: 3 gears
 Battery capacity: 2000mah
 Battery life: 1-1.5H
 Charging time: 5H
 Air pump specifications: 3.7V - 145Kpa
 Power voltage: 8W/DC5V - 1A

Red light spray, three-gear adjustment

Features

1. The whole machine is made of aluminum alloy, with a metallic texture and a simple design
2. One-button electronic control of the air pump and water valve, red light spray, three-gear adjustment
3. Solenoid valve water switch + unique nozzle structure design, strictly prevent water leakage, reliable quality
4. Ingenious anti-negative pressure design + disposable essence water bottle combination, lower noise, delicate spray
5. Universal for various diluted pure dew, essence, water, etc.; moisturizing and moisturizing, fully compatible

Classic Beauty Instrument

GM13

RF Collagen Beauty Device

Specifications

Product material: 24K gold contact + ABS
 Gear adjustment: 3 gears
 Mode adjustment: 4 types
 VR mode: lifting and rejuvenation (red light + ultrasound + EMS + vibration)
 ECR mode: eye care (orange light + EMS + heating + vibration + hot compress)
 IB mode: high-frequency penetration (hot compress + yellow light + meat grabbing EMS + fast vibration + ultrasound)
 CR mode: ice compress repair (ice compress + green light)

V-E118

Cooling & Heating Blackhead Remover

Specifications

Product material: ABS+PC+aluminum alloy
 Gear mode: 3 types
 Mode 1: Hot compress 42 degrees, constant temperature + temperature control protection
 Mode 2: Clean and suck blackheads, low/high 2 gears
 Mode 3: Ice compress continuous cooling, no gear
 Battery capacity: 3.7V -1000mAh
 Battery life: 1-1.5H
 Charging time: 2H
 Air pump specifications: 3.7V/suction-65KPA
 Power voltage: 5W/DC5V-1A

L2

Classic Facial Cleansing Brush

Features

1. Two modes: hot compress + no hot compress to meet different needs
2. Hot compress function: 45 degrees constant temperature, accelerate pore expansion
3. Eight levels of intensity: free choice to meet different needs
4. Wireless charging: contact charging, convenient and fast to use
5. Handle design: comfortable and stable to hold, good feel
6. Seamless waterproof: The whole body is IPX7 waterproof, safe to use
7. Massage lines: remove dead skin and promote skin absorption of nutrients

L6

Classic LED Mirror

Features

1. Integrated streamlined design, simple texture, no space
2. One-touch touch switch, 3-level brightness adjustment
3. 4K high-definition silver-plated glass mirror, high-fidelity restoration, double cleaning
4. Ring soft light strip, beauty-level lamp beads, no flicker, brighter
5. Restore 95% natural daylight, bright and soft without glare
6. 360 degrees + 90 degrees up and down adjustment, elegant makeup, adjust as you like
